

EXHAUST NOTES

RIVERSIDE FOREIGN CAR CLUB – January 2011

www.riversideforeigncarclub.org

*** PRESIDENT'S NOTES *** By Bob Key

Happy New Year and welcome to 2011. As a child the year 2011 only occurred in futuristic science fiction books, movies and "Tomorrowland". Now we are here. Not too many flying cars and personal robots yet but I'm writing this on a computer in my home office, in a file that I will then email to Norma for inclusion to our newsletter that will be emailed to our membership and posted on the internet for all to read. Possible because of technical developments of just the last couple of decades. Wow, I had better get back to Earth here.

I trust everyone had a great Christmas and New Year and is ready to enjoy another year of RFCC activities.

I'm glad to report that Norma is continuing to recover from her illness and that Paula is mending from an ankle injury sustained recently. Hopefully Paula can enlighten us with how she managed to hurt herself when we meet next Tuesday. We all wish her a speedy recovery.

I'm also happy to report that the Christmas toy drive and donation was a huge success. Mary Ann tells me that Riverside Community Hospital very much appreciated not only the amount of our gifts but the quality of them. Thanks again to Charlie for bringing back the idea and to Mary Ann for making the connections. Through the RFCC we can all feel good about bringing some joy to some children who had to spend Christmas away from home. Great job everyone!!

Our next Membership meeting is Tuesday January 4th at the Cask N Clever, hope to see you all there.

** EDITOR'S NOTES ** By Davey Jordan

Happy New Year!! It really is for our family, having Norma back. The holidays were very special for all of us.

We have plans for some fun trips over the next few months. Starting with the Nethercutt Museum Collection in Sylmar, Getty Museum, Tom Malloy Collection and many more in the works. We will submit a schedule to the board to discuss when would be best for our group. Please give us suggestions of what you would like to do this year.

Hope to see you all at the next meeting!

** This n That: By Norma

HAPPY BIRTHDAY: Dona Casson (1), Greg Emming (1), Maureen Newell (14), and John Caldwell (22)

Member profile will continue next month.

We wish Paula Southard a speedy recovery!! She broke her leg. On Monday, December 20th, she had surgery and Wednesday she flew to Boise to be with her grandkids for Christmas. What a woman!!! She is due home Tuesday evening and plans to be at the club meeting. I'm sure she will have some stories to share with us.

For all you members that are friends of Paul and Marilyn Vollmer, word is that they are moving back to Riverside and be back as active members of RFCC. Looking forward to their return.

We need input of what is going on in your lives too, you can't count on Norma and Paula to make all the newsprint.

I was to go back to work today, but was snowed in. I'll be there tomorrow though. See you at the meeting tomorrow evening.

**** EVENTS CALENDAR ****
